SUMMARY

To achieve excellence in web development by contributing my skills, knowledge, and experience to mutual growth and success. I aim to be a responsible professional with integrity, known for completing tasks and projects within given time frames and to the highest standards. Seeking an opportunity to leverage my skills in HTML, CSS, JavaScript, and React to contribute to innovative web development projects and grow professionally.

PROJECTS

Personal Portfolio Website

- Developed a personal portfolio website using HTML, CSS, and JavaScript to showcase projects and skills.
- Implemented responsive design to ensure compatibility with various devices.

Landing Page

- Cloned several landing pages of existing websites using HTML5 and CSS3.
